Dear Grant,

We look forward to reporting the progress of this sprint. We have captured the following points to update you on how things are going and if we have encountered any hurdles in our execution. This recent sprint focused on meeting the supervisor and understanding the requirements of the project and the coming sprint will focus on the client meeting and understanding the requirements of the project.

Outcome(s) of this Sprint:

- Getting to know the Team mates and accessing their skills
- Understanding the brief of project.

Activities this Sprint:

- Had the meeting with the Supervisor.
- Established the communication link between the team members, client and the supervisor.
- Dividing Tasks among the team members.
- Made accounts on GitHub, Slack and Trello.

Activities that will occur next Sprint:

- client meeting and understanding the requirements of the project.
- Designing and modelling of the project

Proposed amendments to Scope:

This is the first documentation of the project scope.

Please let us know if you have any questions.

Sincerely,

Squad 1 Reflection 360(primeL)
